Share something memorable between you and your mum.

Great job Lox.

Last year, my mum and I went to Ocean Park. First, we went on the roller coaster. It was very exciting. Then, we went to see the fish in the aquarium. For example, fish, jellyfish and turtles. The ones I liked the most were the massive sharks, because they were the the biggest sharks I had ever seen. Then we went to have a delicious lunch. We ordered some crunchy nuggets. After that, we went on the long cable car. It was very scary because our cable car moved very fast. At last, we were exhausted but elated. I hope I can go to Ocean Park again.

This is only one of the wonderful experiences that I have had with my mum. I have a good memory of the closeness I shared with my mum. Everything we do together is very special. I love my mum very much, that's why such fun experiences will always be memorable.
