

My Mum and I

Share something memorable between you and your

One day, my mum took me to the park. It was a fantastic park. The park had slides, swings and climbing frames. The slides were very long and there were many many swings. I was excited because the park was fun and super. I played on the slides. I felt scared. But some people pushed me. I was very angry. In the park I saw so many trees and flowers. I was overjoyed when my mum took me to the park. I love my mum very much.
