

My Mum and I

Share something memorable between you and your mum.

Last summer, me and my mum went to Cheung Chau Island. My mum said it would be hot that Day.

In the morning, me and my mum went to the supermarket and bought some snacks. I chose my favourite crispy mouth-watering chips too.

When we were ready, we got on a bus and went to the pier. Then we got on a ferry

When we got off the ferry, we saw

a shop that had enormous fish balls, so my mum bought one fish ball for herself because it was so big. However I ate five enormous juicy fish balls. They were delicious.

Then we went hiking. It was fun. However it was a bit scary, because there were many insects like giant huge spiders and long slimy caterpillars. However, at last we got to the top and we sat down and ate our snacks. The scenery was very beautiful. A vast sea. A blue sky.

Then we went home. However I felt a little bit sad because I wanted to stay longer.

Awesome!!!
